

Quantum Computing LEI 25/26

Introduction to quantum algorithms with PennyLane

André Sequeira

HASLab, INESC TEC , andre.m.sequeira@inesctec.pt

Department of Informatics, University of Minho

Quantum programming languages ?!

Not really, Quantum software development Kits (SDKs)

SDKs usually in Python/C++

Classical instructions that build circuits
Enabling simulation to hardware execution

Quantum technology companies

$|Q\rangle$

Qiskit

Cirq
